## HARD HITTING

Enables Houston to Win Yesterday's Game from the Home Team.

Jake Kilrain is Arrested—John L. Sullivan Spends a Night Behind the Bars—The Texas League All Right.

Col. William Joyce and the other genial and joyous gentlemen that compose the Houston base ball team tackled young Mr. Schell of the Fort Worth in a very warm and friendly manner yesterday, knocking out six safe hits in the first inning. Aided by errors and more hitting throughout the game their total score was run up to 13, while the Panthers had a hard time centering in with nine tallies.

After the first inning Schell did very fair work, but three unfortunate errors by Motz, the reliable, helped the leaders on to victory, and others of the team added their mites in the same direction. The victory was in the hands of the visitors, but the home team got him rattled in the second and scored five runs, tying the score, and Sunday was put in the box in the third. He was wild, giving several men bases on balls, and Baldwin took his place.

The Panthers had plenty of chances to win the game, but it was not their day. Credit is due to the grand total credited up to the leaders.

To-day Francis and Weikart will do the pitching. Francis has always done good work against the Houston team, and the locals confidently expect to win to-day.

Following is the official score of yesterday's game:

Notes of the game.

The Houstonians are hard hit players.

Col. William Joyce and his able lieutenant, Mr. Sunday, are coaches from away up where the creek forks the last time.

The Kimb manner in which the bayon slugs took to Schell's delivery in the first inning was enough to break that young gentleman's heart.

Bill is badly hoodooed when it comes to hitting, and his inability to use the bat effectively almost discounts him with life. He is playing third in great shape, though, and his eye will doubtless soon come back to him.

Houston has a great infield, and it must be a hard drive that hits in the diamond and goes safe.

Motz played in hard luck yesterday.

But the best of them must have his day off.

Fritz's umpiring was not satisfactory yesterday, and the home team got the worst of it. Nobody doubts Fritz's honesty, but everybody knows his judgment is bad.

Dallas is taking a four day's rest before tackling the Panthers for five games. It will be needed.

Reaching for the Pennant.

DALLAS, TEX., Aug. 5.—If the league will hold together for awhile, Dallas hopes to win the pennant, although Houston still maintains a good lead. This hope is based largely on the Fort Worth-Dallas games. Several players have made the statement that Fort Worth would win from Houston if she could, and then give Dallas the Fort Worth-Dallas games in order to keep Houston out of the pennant. Of course there would be little glory attached to the success obtained in this way, but still the Dallas team wants the pennant. "Nevertheless, a great many believe that Fort Worth will not help Dallas by losing to her purposely; that the Panthers will take all the games they can get, no matter who wins the pennant."

Base Ball at Tyler.

Special to the Gazette.

TYLER, TEX., Aug. 5.—The Dallas Clippers crossed bats with the Tyler Sluggers at the park in this city this evening. The score stood 18 to 5 in favor of Tyler. There was a large attendance and many bets were up. Tyler has the best amateur team in the state. It has carried the field everywhere it has played this season.

The Elks Team.

Special to the Gazette.

DALLAS, TEX., Aug. 5.—The Elks here are doing some heavy practice for the game with the Fort Worth Elks next Saturday, and even money is offered that the Dallas Elks will win. The question which is agitating the Elks, however, is the time to call the game. It has been suggested that the game be called at 9 a. m. so that nine innings may be played before sun down, else start Saturday evening and finish up on Sunday. The team which is looked upon as a winner is composed of R. T. G. Matthews, pitcher; Harry Bates, catcher; Sam Stephenson, first base; James Hazlett, second base; George Anzy, short stop; A. L. Hodge, left field; Jim Arnold, center field and captain; City Attorney W. H. Johnson, right field. When some of the above fall by the wayside there will be on the bench the following substitutes: Joe Eckford, Tom Donohue, J. P. Moore of Fort Worth, Harry Archer and J. M. Steere. One of the

important personages on the diamond will be W. K. Wheelock, with two six-shooters, a couple of dinks and a slung-shot. He will be an umpire.
